Guidelines for the Attendees

GUIDELINES VAI Certified SENSEI Practical Symposium

1. The program will start sharp at 6:00 PM (IST) and finish at 7:00 PM (IST)
2. Introduction for 3 min.
3. The speakers have to finish his talk within 15 minutes.
4. Panelists comments for 10-12 minutes after talk.
5. Question and Answers for 15 minutes after talk. Audience can then ask questions on the chat and then the convener will take up the questions from the chat. There will be no oral questions asked by the audience to the presenters.
6. Convener-1 will introduce himself and co-convener.
7. Co-convener will introduce respective speakers and Panelists.
8. We will try to close the program in one hour and intimation will be given to the Convener at the end of one hour.
9. Mr. Vishal Sobti (+91 84277 22958) will coordinate with all of you to make sure that the IT is working properly so that we do not have any problems during the program.
10. There will be an introduction by Venous Association of India of the Sponsor and the Convener and Panelist. Convener will then introduce the speaker to the Audience.
11. Speakers instructions. We want this program to be as practical as possible so please you got have plenty of time to try to include clinical cases and photographs. Please include step-by-step approach so that the audience can actually learn how to do the procedure. Also try to introduce tips and tricks so that everybody can learn from your experience.
